catalog-nr.: **TR173**
label: **Trost**
format: **LP / DL**
EAN LP: **9120036682764**
release: **17.08.18**

Akira Sakata: alto saxophone, vocals, synth
Bill Laswell: bass, synth
Hamid Drake: drums
Pete Cosey: guitar

We are happy to announce the unearthing of another gem of Japanese jazz maestro Akira Sakata, together with Laswell, Drake and Cosey!

Fisherman's.com was released originally on CD, Japan-only, by Starlets Records in 2001 – now for the first time on vinyl and available worldwide.

Fisherman's.com is Sakata's ode to folksongs of the sea - an intense personal statement on the fluidity of tradition.
