Christina Nemec - electronics  
Gerhard Potuznik - guitar  
Wolfgang Salomon - photos

Wolfgang Salomon works as a photographer releasing many books with haunting pictures „off the road“ – abandoned buildings, eerie landscapes; for instance Vienna, Triest - and now in april: Venice.

Christina Nemec works as an electronic musician, dj and journalist, releasing (solo) on Mego and with the band SHAMPOO BOY on Blackest Ever Black.

Gerhard Potuznik was one of the first electronic musicians in the early wave of Austrian electronic around the scene of Cheap/Mego (projects: Private Lightning Six, Cube & Sphere), currently : MÄUSE with Quehenberger/Kern/Rubinowitz

Salomon invited the two musicians to accompany his foto-evenings and book-presentations with their music. It fitted perfectly – and a dvd with an extensive foto-slideshow and the dark, moody tracks was the logical follow-up.
