for sure no fake news!

Exciting new album by the gripping quartet of Ken Vandermark, mixing jazz, funky patterns and electronics in groovy improvisations - interrupted by abstract insertions.

Recorded: Daniel Schatz, November 29 2017 at Primitive Studios, Vienna

Mastering: Alex Inglizian at Experimental Sound Studio Chicago

Mixing: Alex Inglizian and Ken Vandermark

Artwork: Federico Peñalva

Publisher: Cien Fuegos

Press about their last album *Trebuchet*

.. captures the uncompromising, restless energy of Made to Break as well as the compassionate, collaborative spirit of this great quartet. Freejazzblog

Vandermark isn't satisfied with simply kicking some funky fire music ass. Made to Break is a statement of intent, not just a catchy name. Dusted
