**John Dikeman** – saxophone  
**Jaimie Branch** – trumpet  
**Luke Stewart** – bass  
**Aleksandar Škorić** – drums

A powerful collision of musical personalities - American saxophonist (and Dutch resident) John Dikeman invited avantgarde trumpeter Jaimie Branch, bassist Luke Stewart (Irreversible Entanglements) and drummer Aleksandar Škorić to form a new band project! This quartet presents its own definition of contemporary improvised jazz -with no distinct leader and with tight and supportive interplay, they demonstrate the independent musical voice of each own.

*Album cover by Jaimie Branch.*
