Drawing & Artwork by Brötzmann

After the great 2012 record by Brötzmann/Noble/Edwards, „The worse the better“, Peter Brötzmann and Steve Noble started to play some gigs as a duo. It worked out really well – wonderful pieces of music that *had* to be put on cd... an experts, you might even say telepathic, interplay between those two outstanding musicians – sometimes delicate and swinging, sometimes full-force free jazz...

Steve Noble, UK, started in the 80s with the Post-Punk Band RIP, RIG & PANIC (with Neneh Cherry), plays today in various formations of the international avantgarde/jazz-scene: Steven O'Malley, Ikue Mori, Ken Vandermark, Derek Bailey, Peter Brötzmann, et.al

Peter Brötzmann – THE German, European, international free jazz legend today –, electrifying, uncomfortable, original, visionary.

Recorded live at Ateliers Claus, Brussels on January 19, 2013

Mixed and mastered by Michael W. Huon, Brussels 2013
