"Album 2" is the second album by the Turkish synthwave/postpunk duo "Zack Zack Zack" (Yigit Bakkalbasi & Cemgil Demirtas) based in Vienna, Austria. Their name is an artistic manifesto; a phrase referring to the Austrian political disaster (Ibiza Affair) from May 2019, which revealed the corrupted system of rightwing politics and led to the government's fall. Their debut EP "1" from 2021 immediately caught international attention/radio play and Zack Zack Zack got invited to gothic/postpunk festivals in Germany and Sweden.

Radio features on KEXP, Ö1, FM4, Radio Eksen(Istanbul),
airplay in France, Greece, UK, Germany, Portugal.
